

# WORD — — STUDIES

LEARNING THE  
LANGUAGE OF TRUTH,  
ONE WORD AT A TIME

NATASHA BOYKIN

# INTRODUCTION

The words of Scripture were not chosen by accident. Every word holds the weight of God's intent. To understand His will, you must understand His words as they were first spoken and written.

This resource brings you back to the foundation where meaning began. You will see how Hebrew and Greek express truth with depth our English language sometimes hides. You will learn to read familiar verses with new clarity. You will see how each word connects across Scripture and calls for your response in daily life.

Approach this study with prayer and humility. Ask the Spirit of Truth to open your eyes to what God has already spoken.

You are not studying for information. You are studying for transformation.

"The unfolding of Your words gives light; it gives understanding to the simple."

-Psalm 119:130

# BE DOERS

The same Word that spoke creation into being still speaks to you today. Every command, promise, and teaching points to one purpose, to bring you into full obedience to Christ.

As you continue your study, remember:

- Faith calls you to trust God completely.
- Repentance turns you from sin toward righteousness.
- Grace empowers your obedience.
- The Church is not a building, but the body of believers called out to live and serve under Christ's authority.
- The Holy Spirit teaches you truth and strengthens your walk.
- Obedience proves your love for God.

Let this guide be a beginning, not an end. Study deeply. Share faithfully. Live by every word that proceeds from the mouth of God.

“But be doers of the word, and not hearers only, deceiving yourselves.”

-James 1:22
